### 1700 Hours

The Associated Students of the California Maritime Academy

- f R. Kovacev explains that there is not enough time to make it to the dining center after sporting events for dinner
  - x Suggests ability to use declining balance at concessions stands at events
- f T. Liberman- not enough parking in C or J lot for those who are assigned permits for those lots
  - x Suggests allowing use of I lot at night
  - x Suggests installing lighting and having more police presence at night in O lot to make it a safer overflow option
- o Information Items:
  - f N/A
- o Discussion Items:
  - f Chief D. Gordon- discussion of campus parking situation on campus
    - x Signage requires approval by committee before implementation suggests contesting tickets issued on account of lack of/poor signage
    - x Police Dept. uses a 3<sup>rd</sup> party ticket processing company and reserves the right to decline any appeals
    - x Proper signage for restricted parking areas may take some time to approve and implement
    - x 30 spots reserved in E lot for faculty/staff have seen little use and should be reevaluated for student vs faculty use
    - x B lot is closed to students and day permits are not valid if purchased
    - x I lot is now reserved for faculty/staff use only during business hours but is available to students after hours 5<sup>pm</sup>
    - x Cadet S. Stel recommends restoring the "green machine" or shuttle program to help with O lot transport to and from lower campus
    - x M. Jones motions to limit parking discussion to end at 1810 (14 min)
      - f N. Rowell seconds the motion
      - f Motion moves to a vote
      - f Motion passes with unanimous consent
    - x R. Squier explains lack of safe parking for watchstanders at night which don't have to be moved before 8am
    - x D. Gordon explains that he is working toward gaining a single lot on lower campus for watchstanders
    - x D. Gordon discusses the possibility of annexing of County Ln to create more paid student parking
    - x Several EV parking stalls in lot A will be available to non-EV drivers
