

## ACADEMIC SENATE EXECUTIVE COMMITTEE

with a request made by the senate chair to all the committee members to  
the past meeting November 16 (General Senate Meeting) November 21

### Administrator Review Policy (ARC)

The discussion on bringing a closure to the ARC policy continued and was agreed upon that ARC chair and Provost/President will provide a briefing to the executive meeting with no record of the minutes.

During this meeting there was also a discussion on who keeps the record of the administrator reviews. Should the senate chair (or) ARC chair have access to the administrator reviews. The executive committee thought that it is very important to have a record of administrator evaluations in order to gain a perspective on the effort made by the administrator based on the feedback they received in their previous evaluation.

The discussions also
