Guest: Alex Parker

I.

CCR 04/1806 – EGL 101 Stretch English Composition I – New course to conform to EO 1100.
CCR 04/1807 –

Amber arrived at 3:32.

Department of Sciences & Mathematics Oceanography Program Presentation to begin in Fall 2020) – Presented by Alex Parker and Graham Benton

Graham handed out a CSU flow chart showing how the oceanography concept paper moves through the proposal process. The proposal will be presented to the Chancellor's Office in January 2019.

Alex handed out the B.S. Oceanography Program Description that includes the courses that need to be approved by the Curriculum Committee. First, the program proposal needs to be approved, then the CCRs for the courses.

The meeting was adjourned at 3:56.PM
