Scott motioned to table the CCR; Dianne seconded the motion. The unanimous vote was 8-Yes/0-No.

An email between Sarah Senk and Graham Benton was presented that stated that 2021-2022 is the

CCR 03/20-06 Revision of Marine Transportation Curriculum

The MT department wants to improve and modernize the MT program. The department did not look at WTUs or personalities. Units have been reduced and there has been no external pressure. There was discussion about the amount of science credits needed for a Bachelor of Science degree. The Chancellors Office does not have any specified requirements. The Curriculum Committee asked that the MT department meet with the departments that will be affected by these curriculum changes. Amy motioned to table this CCR until the next meeting on April 14.

The meeting was adjourned at 12:35 PM.
