**CCR 10/22-01 First Reading of a Proposed GSMA-ISS Curriculum Revision –
Ryan Wade**

Ryan thanked his GSMA colleagues IBL faculty for the template for the report, the library faculty and everyone else he spoke with in person, online or by email. He provided a quick summary of how they got here. The goal of the report was to get the CC's feedback today so that any changes, adjustments or additions could be made before returning to the CC in December. The intent
