

Senate Executive Committee Meeting (1/19/2023)

Attendees: Elizabeth McNie (Chair), Sarah Senk (Vice Chair), Matthew Fairbanks (Secretary), Victoria

- Isakson introduced herself and noted that she is an alumna. It seems to me that watch program is not teaching what it should be. Leaders deserve to be mentored and learn how to manage equitably and fairly and ethically. Currently, it seems to be teaching cronyism. I know how I would like to run things, but how do you see the problems being resolved?
- Alonso talked about having some consistency. Every year, new people come in and have to reinve

no formal system. What should happen is that the student would speak with the divisional officers

- There was a short discussion on how best to proceed. The Senate Executive affirmed administration in upcoming meetings.
