

PARKING ADVISORY COMMITTEE
MINUTES

a. Recognitions

The committee recognized and thanked Pat Hollister for his one year of service. Due to the changes and restructuring of departments, Pat is no longer able to represent Academic Affairs on our committee. The committee will seek a new member from Academic Affairs.

II. Lot 'C' Issues

A discussion of the uses associated with Lot _____ Lot _____ contractors, forklift classes, deliveries, and staff and is a federally mandated security zone. Currently it is not unusual for cars to be triply parked. It has been suggested that Lot _____ parking lot, restricting access to only those working at the Boathouse or TSGB. It is also suggested that the creation of an advisory parking scheme with a primary and secondary parking lot would lead to better parking practices.

Discussion followed. The restriction of Lot _____ al industrial endorsement is a radical step. It is far more feasible to designate space within Lot _____ address special needs than restricting the entire lot. _____ may require meet and confer with campus unions on change in work conditions. An evaluation of what special needs exist _____ can be made. The addition of the security gate and the
