Policy: It is the policy of the California Maritime Academy to allow sufficient time for students who are eligible to register for courses during the published registration period in the CMAA Academic Calendar.

Procedures:

The registration period is published in the CMA Academic Calendar.

Registration for the fall semester normally occurs in the middle of the previous spring semester; and

registration for the spring/summer semester occurs in the middle of the previous fall semester.

Students register for courses online during the registration period. New admits (freshmen and transfer) register during the summer prior to the start of the Fall semester.

Students are not permitted to attend any course for which they are not officially

registered. Registration times are randomly assigned by the Student Records Office. Students who do not

register for courses during the regular registration period may be subject to a late registration fee.

When the semester begins, registration for courses after the add/drop period is not permitted; submission of late registration forms are not guaranteed.
