4. Additional Employment

approval of the President. In situations where the employment would contribute to the goal of the sabbatical leave, the burden of proof is on the faculty member to demonstrate the worth of such employment. A faculty member who is granted a sabbatical leave may be required by the President or the Provost to provide verification that the conditions of the leave were met. The statement of

verification shall be provided to the President, the Provost, and the Professional Leave Committee

Appendix 1.

Sabbatical Leave Application

1.	Name:	Date:
