Re: IWAC Summer Session 2018

Date: May 2nd, 2018

Colleagues,

The IWAC council concluded its annual meeting during summer session May of 2018. Per the powers and responsibilities granted to this committee, we spent a week reviewing the InstitutionWide Outcomes, mapping the assessment calendar, analyzing results collected over the past year and making recommendations for improving student learning. There was only one ILO (Quantitative Reasoning) scheduled for analysis this year, but as usual, attention was paid to all ILOs according to their position in the cycle. The status of each ILO is as follows:

ILO A Communication.
