

## Supportive Measures\*

\* All supportive measures are individualized and case-specific. This document is intended to serve as a representative list. It is not exhaustive. Additionally, not every supportive measure will be available for every report, depending on individual circumstances. Please contact the Title IX Office to discuss your individual needs.

Connection with resources: Counseling; Advocacy

Referral for medical assistance and/or evidence collection

Referral to law enforcement: possible stay away order; police escort

Mutual or one-way no contact directives

Housing support: change residence hall; allow off-campus housing

Academic support: flexibility in attendance requirements; changing course schedules (if possible); flexibility in assignment due dates or dates of tests; temporary excused absences; assigned seating location in class
