

Adding, Dropping, and Swapping Classes

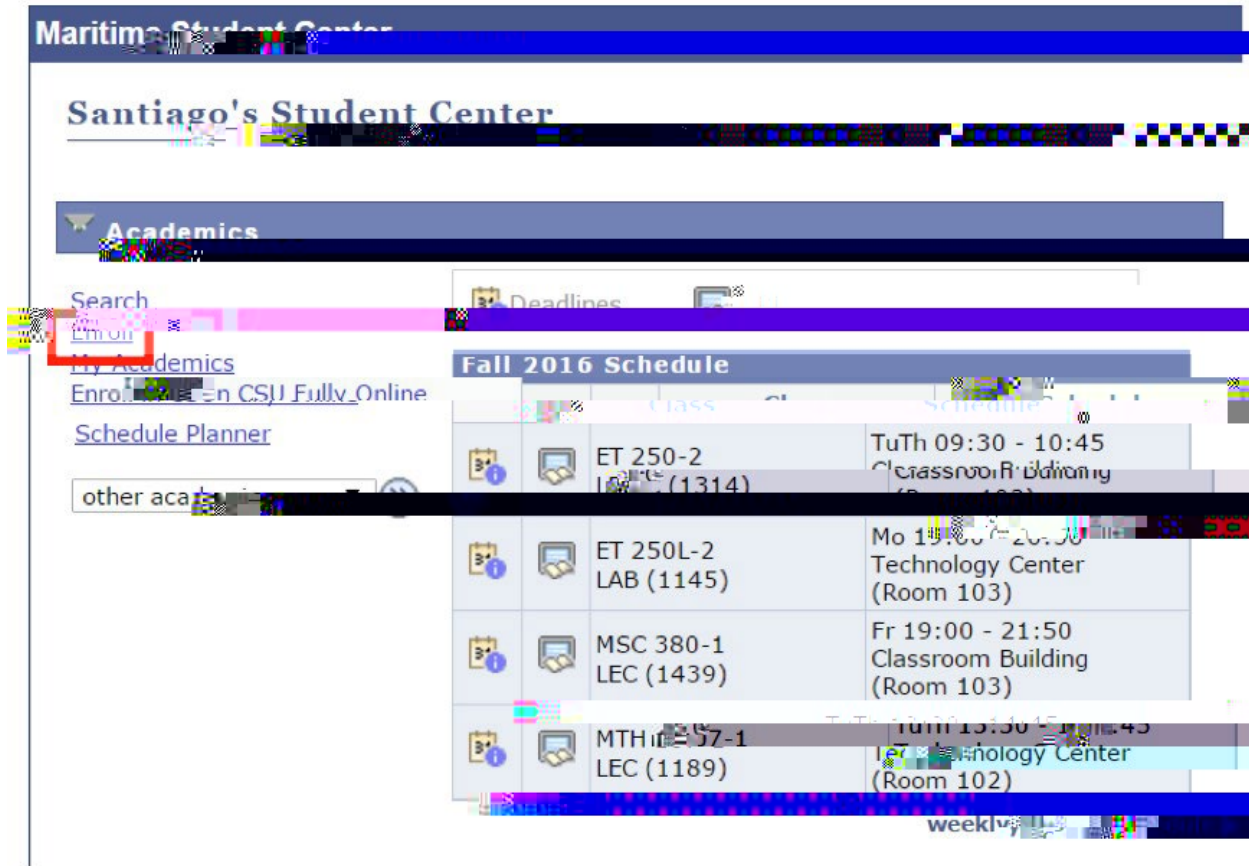

The courses required for your major can be found under [Curriculum Roadmaps](#)

Note: Enrollment is required for incoming students into the fall semester. Enrollment is required for enrollment.

Changing Your Schedule (Add/Drop/Swap Classes)

During open enrollment periods (refer to your email and the [Academic Calendar](#))

1. Log in to the Student Center website.

2. Once there, choose the appropriate semester (term) at the top, be sure to select the appropriate tab.
 - x Add: Add a new course to your schedule
 - x Drop: Drop a course from your schedule
 - x Swap: Swap a course in your schedule

C. The course should now be in your shopping cart. [Proceed to Step 2](#)

X [Proceed to Step 2](#)

Some common errors are:

- x For classes where there is a lecture and lab, you may get an error about a prerequisite. For a corequisite, see [Prerequisites](#)
