## THE LONG (BUT VERY DETAILED) LIST :

### The Week Before Classes Begin

- ' Review your goals for the academic year. Put your goals in a place where you can see them each day for motivation !
- ' Check your schedule in your PeopleSoft Student Center for possible building or room changes.
- ' Get your preferred school organizer (paper planner /Outlook calendar/time management app) set up and ready for classes! Make note of all important dates and deadlines on the Academic Calendar and on your course syllabi!
- ' Start to think about your weekly daily routine for classes, studying and managing your work/life balance .
  - o What time of day are you most productive? Set us your note review/homework/study time

assignments? This is the time to self-reflect and make some routine changes if what you're doing isn't working .

- ' Need help finding a good routine for academics and everything else? See a University Advisor or our Coordinator of Academic Success for help (we're both in the Lab Building!).

#### Week 4
